

Beeswax Wrapper Workshop with Olya Salimova

Recipe

- 1 cup beeswax – 113 g (4 oz)
- 1/4 cup pine resin (rosin) – 28 g (1 oz)
- 1/8 cup oil – 14 g (1/2 oz)

Materials

- Beeswax
- Pine Resin
- Coconut Oil
- Parchment Paper
- Crockpot
- Iron

Instructions

1. Combine all the ingredients and melt at 120-130F. Stir occasionally to combine well.
2. Protect your working area with several layers of brown paper or plywood.
3. Place parchment paper on the table. Make sure it is bigger than the piece of fabric you have selected.
4. Place your fabric on parchment paper.
5. Using a brush, paint wax mixture on the wrapper.
6. Place another sheet of parchment paper on top of the painted wrapper.
7. Iron with the iron set to cotton/linen temperature with the steam function off.
